Our Award of Excellence is one of the most prestigious accolades that we give out as an organisation with Shutter Envy joining a very exclusive group of organisations that have won our Award of Excellence in consecutive years. With our awards we think it's important to recognise organisations that are bringing something new and innovative to their marketplace. They don't necessarily have to be the biggest but they have to be someone that is trying to offer something different to what is already out there and above all they must offer a great product or service. We feel that Shutter Envy ticks all the boxes and are worthy winners of our award. The awards are clearly no accident and will come as no surprise to anybody that has used them.
